

Kindergeld Handout

Please note that this Information Paper only provides basic information and is not intended to serve as a substitute for personal consultations with a Legal Assistance Attorney.

Did you know that YOU might be entitled to German Kindergeld? Kindergeld is a social benefit that is paid to German/EU nationals and to all non-German employees on the German economy that make contributions to the German social security system. The said benefit is paid every month and is not taxable under the German system. The amount of Kindergeld (as of 1 January 2009) is EUR 164 for the first two children and EUR 170 for the third child, EUR 195 for any further child. Kindergeld is partially deducted from the amount owed in child support if both parents are eligible for the benefit.

If you think you might qualify for Kindergeld -- you need to get in touch with your nearest Arbeitsamt, (employment agency), or talk to the German attorney at your local Legal Assistance Office. They will be able to help you with the forms and any other questions that you may have in reference to applying or qualifying for the Kindergeld.
