This policy does not apply during military missions (e.g. official ceremonies, band appearances, training events, etc.) or operations where the wearing of uniforms is consistent with the mission and mode of travel. Commanders may establish and enforce more stringent requirements on personnel within their organization as appropriate to the threat and circumstances, as they deem necessary.

4. GUIDELINES:

This includes camouflage pattern backpacks, military style backpacks, or duffel bags. Personnel traveling via military / military contract transportation will wear the uniform prescribed in applicable deployment or travel orders.
